## PORSCHE / MERCEDES-AMG BERLIN EXPERIENCE – SPREEWALD TOUR

One or several day sports car tours through Berlin and the Spreewald

We are starting our Spreewald tour at the Classic Remise or at your hotel heading to Sanccouci Castle. Between 1745 and 1747, Frederick II., king of Prussia, had his summer residence – and favourite place to be – built on a famous wineryard terraces. While looking around: Sanssouci is still showing its old glamour and the wide park is more beautiful and impressive the ever before.

After a short photo stop at the castle's park and after you will be driving on to the biosphere reserve “Spreewald”, where rare animals and plants found their habitat. Natural small drains (so-called „Fliesse”) and canals are windings through meadows, forests, fields and settlements.

The best way to get in touch with this catchy experience of a genuine inland delta is a boat trip in a traditional wooden boat. Afterwards we will have a coffee break on the terrace of hotel STRANDHAUS – Spreewald Boutique Resort & Spa.

Finally we are taking the motorway back to Berlin.

Our road trips are bookable as one or several day events on fixed dates!
